RE: Form LM-30

Dear Sir or Madam:

Enclosed is my Labor Organization Officer and Employee Report LM-30 for the 2004 reporting period. In filing the report, I have reviewed all of my available 2004 records as well as my recollection. I have provided my best estimate or an estimated price range for the value of the benefit received where I have no knowledge as to an exact amount.

As you know, it was not until March of this year that the Department of Labor initially announced its intention to provide additional guidance to the reporting community concerning the LM-30 report, to seek systemic compliance with these requirements, and to apply standards adopted in 2005 retroactively to 2004 as a base year in that effort. Further, the Department since that time has continued to issue and revise its compliance advice, including guidance regarding the related benefit funds. My understanding is that the Department's guidance to date on LM-30 reporting is still changing and remains uncertain in various particulars.

It may be possible that a covered employer or business not listed on my LM-30 report for 2004 provided something of value for which I have neither documentary record nor any present specific recollection. In accordance with your guidance, it is my understanding that, in that circumstance, I am not required to take any further action.

This filing reflects my good faith effort to comply with the LM-30 reporting provisions and in doing so, I have relied upon the evolving guidance from the Department. The enclosed material represents my best recollection and estimate of all lawfully reported benefits that I received in 2004.

Sincerely,

Anthony Perrone
